[단눈, 반하다]

Do you ... want  
me to marry  
you ?

... Whaa?

What did  
you just  
say ?

... You  
heard me

What  
I said...

If not,  
then  
forget it.

You know...  
That was  
just so cold  
(not funny).

Yeah?

Yes,  
very!

Well,  
I do  
feel  
somewhat  
cold...

There aren't  
much of differences  
if you ask me.

What  
?!

See how  
couples get  
married these  
days.

They talk about  
how passionate  
their lovers are  
and get married.

And then soon they  
regret and then get  
a divorce.  
Pretty much the same  
logic with taking a  
right crack.

You really are  
a jerk !

How DARE you  
compare holy  
marriage with  
what ?? right  
snacks ??

Hey... don't hit  
me now. I bet you  
kinds agreed with  
me in your mind  
somehow.

No ?

No way !  
And why  
mention  
marriage  
all of a  
sudden ??

Heartbeating (same as Dok)

... Excuse me ?

I must be right no  
this I I mean  
Han-Se I know who  
by the way is my  
childhood fella would  
never say stuff like  
that.

Hmm...

And you know,  
I simply asked you  
to go out with me.

And you suddenly  
responded with  
marriage ? That's  
not so like Han-Se.

So, we aren't  
going to marry  
then ?

I guess we  
are then ?

...Hey !

But if you do  
enter a  
relationship  
with me ...

You will want to  
marry me badly  
soon.

Ha?

Why?

Why?

Because

Don't say  
stupid  
stuff.

You will want to dominate  
me until our hair turn  
white.

Hmph -

You sound  
so know-it-  
all.

It's not like  
I didn't know  
that.

I know -

No matter how much  
you care for someone,  
you cannot dominate  
a person forever.

You can make your  
intentions clear by  
marriage and signing  
the marriage contract,  
but it's just paper. No  
one knows what the  
future holds.

I know all  
that but -

It's more like  
"I don't have any  
choices left" level.

When you are out walking  
on a path,

You suddenly realize  
it's so dark and you  
have to keep walking.

You know,  
like ...

Then you notice  
someone, in this  
case you, shining  
brightly in pitch  
black darkness.

Shining strongly yet  
warning and subtle.  
It gives me courage to  
continue waiting on.

And I am suddenly like,  
"You've known that  
all along. Why realize  
only now, fool?"

So what  
about the  
future ?

I couldn't  
even see  
a minute  
ahead.

Crap, you made me  
go too far.  
You should have just  
gone out with me  
and end it there.

Just ... end  
it there ?

Youh ! Just go out  
with me and see  
how it goes !

Can't you see  
I am playing  
with a  
relationship  
now ?

Do you really  
think I'd be  
listening to  
your fate-  
rules-all  
lectures?

Although I do admit  
one thing, I guess  
"fated ones" does  
really mean something  
special.

Until recently  
I was sick and tired  
of so-called  
relationships.

If I knew this,  
I would have simply  
listened to you  
and have gone  
for it.

Don't ... overdo  
it... I will let you  
have your way,  
so don't overdo it.

What you are  
trying to do will  
not be good for  
her sake.

If you continue  
to go down this  
path, both of you  
will deeply  
regret...

Regret or not?

Nothing to lose  
for you.

I am to be yours  
after graduation,  
remember?

Hmm...

Graduation  
 huh...

I thought  
you would  
high school  
graduation.

Not once  
did I say  
that.

Not too glad  
that I am not  
going for  
No. 10.

안녕, 반하다

I do understand  
that the timing isn't  
perfect ...

But I feel that,  
if I miss this chance,  
I am going to regret  
for the rest of my life.

**Number**

Propane ?  
Not even you ?  
And we are on  
our way back to  
the club with  
snacks.

Are the guys  
at the club  
on a bit or  
something ?  
To piss me  
off ?

Piss  
you off ?!

What else would  
it be ?  
I am taking.

Ah,  
well ...

I heard you two  
broke up ...

Which was why  
you cut your  
hair ...

Gays ... who could  
simply look at you  
got impatient and  
no ...

Although I am  
on a break after  
my military  
service ...

True, we broke up.  
But I got a new one  
almost right away.

WHAT?!

I got the  
hunch to  
grab Han-Se

It wasn't  
due to the  
break up

Han-Se?!  
You mean Kang  
Han-Se?!

Yep

But I thought  
he was just a  
childhood  
friend?

Was

What do you mean  
"...was"?!  
Do you really mean  
you two are...

Are you a private  
detective or something?  
Why keep asking  
about a girl's private  
love life?

And I've  
never said he  
was a childhood  
friend.

I heard you two  
were quite  
popular in high  
school!  
I mean even now ...

That dude ...  
Even in university  
he gets the damn  
crown.

24

I am talking about  
you I

Though you are right  
about how long  
the long

Minato!

... Yes, you.

I was shocked to  
see someone like you  
at the entrance.

Yes?  
I am in  
physical  
education  
course.

I am it —  
San He-De.

Nice to meet  
you all.

Seorisan

That ~~is~~ I saw the  
first ~~one~~ of self-glamorous

Nice !

I am so glad to  
have come back  
right after my  
military service !

Penny:  
What do  
you think  
I am?

... She might not  
know that she is  
considered to be  
the Goddess of  
our class!

So, to sum it up,  
we didn't look like  
a couple, did we.

Like?

uh...

I guess we don't  
look like a  
couple.

Oh?

No, it's not  
that ...

I don't think neither  
of you actually made  
it clear that you two  
were a couple.

Like  
how?

Well...

You know, couple  
rings... couple shirts...

And like  
showing affection  
toward each other  
in public, or  
something...

From  
my 2nd  
life?

Uh?

Uh...

Guess I have to tell the guys to give up

I mean it's Kang Han-Se.

As for me, well...

(He called me oppa. I am happy.)

Your smell.

Let's go

Ah? Yeah...

Smell? What smell?

**Kkyaaaaaaa - !!!**

Awesome!

This is crazy!

It's -

so nice -

it's really awesome  
to be with him.

But ...

i have this weird feeling...

Whenever I get too close  
to him, I feel uneasy and  
insecure in a corner of my  
mind ...

Where are  
we going ?

You came  
to see me

Where did  
you want to  
go ?

Oh, yeah,  
I came to polish  
our relationship.

We need to let  
others know well  
that we are a  
couple !

What?

Time to  
polish !

First of all, let's start a usual date course, shall we?

LOTTE CINEMA

What a way to let me down.

After all that "petite" talk, we are at the nearest shopping mall.

We come here pretty much all the time.

It's different today.

... How is it?

Well, allow me to show you.

Enter the planet!

You are rushing  
even from the  
beginning.

As if you are  
about to claim  
victory.

And we  
are not  
done, not  
even close.

Wrong  
way to  
get it.

There is no  
victory line  
in relationships.

I don't think  
relationships is like  
running.  
It's more like making  
a tower.

As it gets taller,  
it gets more  
dangerous to  
proceed further.

So, making a solid foundation is the most important.

And you build up from there.

What's with that weird hand gesture?

Solid ?

Yes, solid !

So, you have your own philosophy on dating, huh.  
Learned something from past, huh.

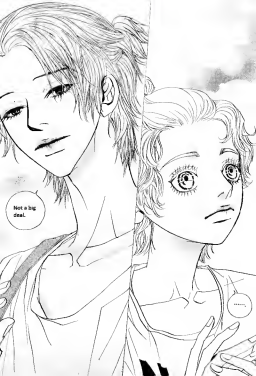

Of course!

Yes.

.... Fine

I will let you do whatever you want.

Not a big deal.

....

What ...

was that  
just now?

*Again... something ached deep inside...*

Han-Se, this -

yes.

NO.

Why not ?!

It suits you perfectly.

yes?

animelove.com

You were that  
and I will  
not  
etc.

And I will pay  
for this one.

When try  
it on right  
now?

Okay, so you wanna go for it,  
huh.

You lose if  
you leave  
the dress  
room without  
putting it  
on.  
Don't regret

UNI  
OLO

I am not gonna  
regret I in fact,  
I very much want  
to try it  
on!

I told you.

I am not going to  
end this at  
childhood friend  
level.

Well, that's  
a good spirit  
to start with.

The way we  
chose each other's  
shirts... That just  
cries that we are  
childhood  
friends.

This is just a start !  
We will sweep this  
shopping mall from  
1st floor to the top !

Oh ~, you  
made me  
nervous.

Stay strong,  
uh, I mean  
stay excited!

Wanna  
get a  
drink ?

Sure, but we  
need to get  
movie tickets  
first.

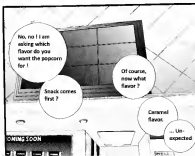

Busy, you  
are.

Which  
one ?

Well, it's  
summer, so  
horror -

No, no ! I am  
asking which  
flavor do you  
want the popcorn  
for !

Snack comes  
first ?

Of course,  
now what  
flavor ?

Caramel  
flavor.

... Un-  
expected

Ah ?

In middle of  
a hot date ?

Yep

How about  
you ?

Ah,  
me ?

Batho

I am sorry.  
I have to go.  
We will have  
to watch the  
movie some  
other time.

I am coming.

Let me just  
say hello to  
them.

She's still with  
you, your the  
other half

Oh, as you still  
remember. Well,  
she is so old  
fashioned.

Anyway,  
I have to go.

You can follow them if you want, then the gross couple.

...

Gross couple.

You can pronounce it.

Why are you suddenly entering a teasing mode?

Teasing mode?

I see you can pronounce the words perfectly fine. Why do you keep pronouncing them awkwardly?

Don't you get it? That's my charming point!

This is just what I am.

I don't think it's just a matter of who you are

You know you do that in front of girls really

!

Insecurity?

Don't change subject. I am merely talking about your pronunciation

Holy shit...

I've never seen anything  
like that.

It's certain  
that they are  
meant for each  
other...

Even so...  
Yes-Oh, she...

It looks as if not as  
many strings of  
fates have been  
secured.

It must be  
hard for her.

Should have

You know -

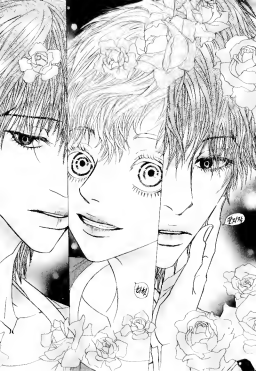

Trying to maintain

It tastes... better...

What are you  
talking about?

I am not tired.  
I am enjoying this.

What does the patch have to do anything with seeing guys' handsomeness?

It does have a counter-balance.

Seeing a guy's true face even before getting into a relationship is a show teller.

You said so. You wanted love.

But seeing a guy make handsome then he actually is a lie.

I dislike the fact that my memories were just a lie.

You know

What if you weren't wearing the patch? Do you think you'd have gone with out the guys if it weren't the patch enhancing guys' "handsomeness"?

"With my  
patch."

"What do you  
mean by that?"

"You speak as if  
I went out with  
him just because  
of his appearance."

"Granted,  
he doesn't look  
as good as how  
he looked to  
me before,  
but still he is ..."

"Without  
the  
patch."

.....

SHUN-ICHI

Maybe I wouldn't have gone out  
with him ... !!

I sense regret from  
your face. Now, that's  
not the way to go.

Though  
regret is a  
part of love.

Why are  
you  
down ?

You did find something  
from the last two pups.  
That's something to  
remember for.

In the end,  
I cannot help  
but feel discouraged.

Don't you  
know ?

Why do you think  
there is the term,  
"Love at first sight" ?

Love always

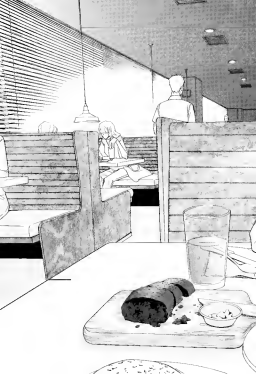

Ends up in  
vain.

Sura's place  
[surasplace.com](http://surasplace.com)

Say love is  
what ?  
What's gotten  
into you  
suddenly ?

why?  
Did I say  
something  
wrong ?

"love" is not something  
that actually exists.

It doesn't exist. Therefore,  
people are dying to pursue  
the impossible.

Concept of love  
becomes fancier and  
fancier over generations.  
And people will claim  
and believe that whatever  
the crap they found was  
love and will try to  
believe so.

You once said  
this before -

that for some,  
love is like life.

Well ...

Doesn't that  
sound like  
religions ?

Religions that  
drive people to  
extreme sometimes.

The only difference  
is that love is very  
selfish and benefits  
those who pursue,  
so they pursue  
hard.

... You ... don't  
... love me ?

Haru-Sa...  
I thought you  
had the same  
feeling as I did...

Are you telling  
me right at my  
face now that  
the love I've  
been feeling -

has been just  
me and that's  
it ?

Come to think  
of it .. It has  
always been  
me ...

Who pushed  
you around.

Yes, you've always  
been like nagging  
along whatever  
I made you to do.

I was too  
embarrassed to say  
"I love you" out  
loud that -

I settled for,  
"I really like you"

And what  
was your  
answer ?

Out of blue,  
you told me  
"Want me to  
marry you?"  
You don't love me,  
do you. You actually  
dislike me for  
nagging, don't  
you ?!

You are overreacting.  
Besides, what's the  
big deal?  
I can love you.

What's the  
big deal ?!  
Love me  
then !

Look into my  
eyes and tell  
me that you love  
me with all  
sincerity !!!

Come on  
I am too shy  
to do that

See ?  
You don't  
love me !

I love you.

Was that  
good  
enough?

Don't make that face that says "There is nothing that can be done" !

Now he will try to apologize to me and move on with another topic.

I know  
your  
tricks !

I know you better than anyone else. I won't let you get off easily this time !

I will be your  
die-hard  
follower.

I guess  
then...

I guess then  
you are my  
leader?

Hmph

I didn't tell  
you to do  
that.

Sigh

Damn girl,  
you should  
try to stop  
me when  
I am being...

So gross...

It's not...

I know...  
big of the  
world.

This is...

I know... this has no bottom... Y.Y

You asked me to  
take you home,  
so I am tagging  
along now but...

Yeah,  
I know.

There has  
no meaning,  
you know

Quinn...

Do you ever wonder  
why some guys  
insist to take girls  
to their home ?

You know,  
Hi-Q...

Really?

You acting  
so badly  
for it...

It kinda makes  
me shy and, you know,  
embarrassed?  
Not?

Me-um...

Oh,  
right!

Let's do  
it the formal  
way!

Hub?

What's your  
name?

Hey, stop !

Shut up !

Grandpa !  
Grandma !  
Master !

Hey, don't  
you dare !

What ?

I see. Then  
there is no  
other way.

(アムニティ・ワークス)

Dad, you picked  
a really bad time  
to joke.

Marriage  
between us?  
Don't kid  
around.

Good timing  
as well since  
both families  
are to gather  
tonight.

We might as well  
decide the date for  
the wedding.

Don't you  
agree?

Say -  
WHAT ?!

We are blessed, really  
We are in-laws now,  
to love.

Yes, indeed, I am  
Pleased to be in-laws.  
Let me just call Soo Hui.  
She wanted this to happen  
also, so I  
am sure she will  
be happy.

Grandma,  
that means Han-do  
beginning to my  
relative now,  
doesn't it ?

It's a  
love  
up, isn't it ?

Yes, yes,  
you are so  
smart.

He is your  
uncle now.

Both families  
know each other  
so well: no need to  
pay any extra  
visits.

They wanted too  
many years if you  
ask me.

Oops

You guys are  
going woo.  
WAAAAAAAAA  
ahead of yourselves  
right now.

바라

This is not even  
funny. Say what ?  
Marriage what ?  
in-laws ?!

... But weren't  
you two on a  
date ?

Yes, and  
scored on  
the first  
date.

You two kissed!  
You two went  
all the way !  
You two are  
basically  
married !

Yes,  
y'ks.

Isn't that  
couple shorts  
you kids are  
wearing ?

Will you

Marry me ?

Eh...

Eh... ?!

Whoa -  
Whoa ....  
Whoa ??

Sura's place

Ahhhhh -

Ah ?!

Uh ...

W... what  
I can't wait to have a first  
kiss to have...

Look at her.  
She's completely  
out of her mind.

What are you waiting  
for? Wear him the  
ring!

Hurry up  
so that I can  
eat! I am so  
hungry!

What do I know. You two actually look okay together.

Of course I  
That's my kid  
right there.

Yeah, you  
two are so  
meant for  
each other.

Oh My God

How in the, I -

You two look  
sooo good...

Time sure  
passes  
fast...

Let's eat  
cake ! Cakeee !

Yeah, they  
were just  
kids not long  
ago.

Now, let us  
celebrate the official  
engagement between  
Kang Han-Se and  
Ban Ha-Da.

Breve !

I get engaged?!

어아- 예비 신부- - 좀  
이따 네 방으로 간다~.

Hey, soon-to-be bride,  
I am heading over  
to your room later.

푸하

You like the  
whole situation  
that much ?  
You haven't even  
changed your  
clothes.

옴

쫄

Anyway, when you see Han-Seo, give him a treat.

What for?

Did you see him? He's like a living corpse after the engagement.

Stop it!

Kid... you really  
don't know  
anything.

He had a  
quick wit and  
proposed you  
to avoid the  
worst.

I don't even  
want to think  
what might have  
happened if  
it dragged on.

What?

You've never seen  
dad getting angry.

Have you?

You haven't  
seen it

In your  
entire life.

Fine, don't believe me if you want is I  
Thanks to dad, the  
marriage is set to  
go on after you two  
graduate.

But it's too early  
to feel safe, so  
be careful.

What ?

Just think for  
a second.

If you two ever  
break up, the good  
neighborhood we've  
kept for a decade  
will get ruined.

You just need to  
be careful. You  
are the only  
problem.

I will personally  
beat the crap  
outta you if you  
get locked out.

Geed !  
Why only  
me ?!

He just has  
to ruin the  
mood !

I am not  
worried about  
Harden  
 anymore ~

For as long as I've  
known the guy,  
he has always,  
always, wanted  
you.

So, in the end,  
you are not going  
to eat it.

If you keep going down this path, you will have everyone turning their back on you.

Even your friend one.

No-Go...

You will really be left alone.

Is that really fine with you?

What?

Why are you acting like a mother all of a sudden?

Drop the act.

It's not like you. Besides, you don't really know me.

Well...

Perhaps, but I do know your taste and habit.

*I know you actually like  
sweets very much.*

Why are you  
just staring  
at it?

Your  
mother  
made  
this for  
you.

Leave him  
be.

Maybe he  
doesn't like  
them.

*At first,  
I believed that you were eating  
like that because you didn't like me.*

You are satisfied  
by just looking  
at what you  
really like.

Rather than  
eating them  
—

*It was the  
first time  
that*

I saw you were  
startled by the  
fact that someone  
read your mind.

And ...

Did you  
enjoy  
that ?

I bet you did.

I consider that  
my weakness.

How could  
I ?

You have no  
idea what  
it is like being a  
mother ...

I rather feel -

Even if you are not -

I don't need that kind of sympathy.

Just a  
burden,  
I could  
give you...

I can't breathe...

Don't touch...

You had a fight  
with your  
mom, didn't  
you.

... How  
did you  
know?

I can tell by  
looking at  
your troubled  
face.

편리서  
이렇게  
알아요.

And you  
are tired.

Yeah

...

Shall we  
sleep?

... Yeah

Say it already  
rather than  
staring at me.

You  
know

If it's about  
my mother,  
don't bother.

Hey...

Forgive her  
already.

Yes...

Both of your  
parents are getting  
really well with  
my family. It's  
only you.

She is a genius  
about that.

Doesn't matter how much someone hates her, as long as she wants, she can mend any relationship at her will.

I don't like such a type of genius.

But even so...

Even so what?

Sura's place

www.suraplace.com

She works hard at what she does to get a result. You should go easy on her.

She doesn't really like you. Should I still go easy on her?

But What?

What?

Let me sleep.  
I came here to sleep.

Hey, is that really true? That she doesn't like me?

About the  
engagement

Why are our beds  
double beds ?

You see,  
it's ridiculous!

I mean I should have  
noticed their intention  
when they started to  
talk about marriage  
and sex

We are both  
grown ups and  
we share a  
bed!

Yet no one  
from either  
family bothers.

They meant to  
force us to marry  
a long time ago.  
That's the only  
explanation.

Don't you agree?  
That also means  
they might not  
bother even if  
we cross this  
line...

Should we just  
do it ?!

For the  
heck of it !

Break !  
I said it !  
I said it first !

If you truly  
love me...

Wait, why is he  
so silent now?

Come on,  
if you remain  
silent, you are  
going to make  
me look like a-

Ah, sorry.  
I don't mean to  
make you look  
like an idiot.

But...  
He-De...

Don't lose to the  
fate.

Really has to  
stay there...

And just...  
that's how  
as you normally  
would...

What ....?  
Don't lose to  
the fate ?

Yes, don't  
lose to the  
fate.

That's worse  
than being  
alone

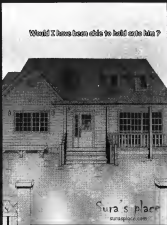

Fate is  
what ?

Hang on a sec.  
You just rejected  
me by changing  
the subject !

I will think about it.

If ...

Yes, if I knew what you meant at that time ...

You are in your prime years and you need to sleep like a chicken.

It's too early years for you to act like this.

And manga books aren't allowed in classes.

What?  
A novel?

Is this why  
you were  
falling asleep?

Oh, give  
it back!

It's not even  
mine!

—Do you  
even know  
what the plot  
is trying to  
tell you?

Heheh

—Why are  
you even  
reading this  
then?

Well -

That was  
so cool,  
San Han!

I thought you  
were going to  
get punished.  
Were's you  
afraid of the  
teacher?

No, I  
wasn't.

Anyway, what  
were you dreaming  
about?

...  
What?

What  
dream?

You were  
sleep talking,  
saying like  
"Marriage is not  
a joke or so."

Why?

...  
sorry

Go Minah, just  
answer me without  
having any thoughts.

Oh...  
sure.

I saw them kiss  
right in front of  
my eyes.

Huh?

So, that's as far  
as they went,  
no?

What are  
you talking  
about?

They would have  
to be married then,  
right ?

바

작

See ?

I am right,  
right ?

화

아

Uh...

Er...

Don't make us  
laugh.

Kissing equals  
to marriage?  
What the hell?

And out of all  
people, you  
got to say that?

Yeah

If that's true, then  
you'd be married to  
all three of us here!

And you there,  
Goo Minah!

I know you are a  
new transfer  
student and don't  
know much how  
it goes around  
here.

Get a hold  
of yourself!

I want you!  
Goo Han-ah -

Oh, shut  
up.

You said that.

Wh... what  
did you say?!

I agree to  
it! It's OK!

To get married

now?  
That was  
just mean!

Calm  
down!

Anyway,

Why would he  
when you don't  
know the most  
basic thing?

Their kiss and  
our kisses were  
totally different.

Why would  
I marry you?

Don't over-  
react.

What right do you have to decide that?! Are you the Kiss God or something?!

Sigh, geez, you really don't know a thing.

We are -

in an elementary school.

Can we even get  
legally married  
at this age ?

Why are you acting  
like a kid now ?!

We are in fact  
just kids. That's  
the fact.
